

## Memorandum of Understanding

Agreement to attend Municipal partnership between Region Gotland and Berislav Municipality, Kherson Region for the period of 2025-2026. The partners Region Gotland and Berislav Municipality, agree on 2024-10-14 with this document, to enter partnership within the ICLD Municipal partnership programme, based on the Human Rights ambitions and the ICLD core areas Equity, Participation, Accountability and Transparency.

The partnership is made up of a steering group which will:

- develop cooperation within the framework of the Programme.
- enable future project applications to ICLD.
- oversee the partnership and steer and support its associated project(s).

The parties will extend the Memorandum of Understanding for the corresponding period of any projects granted.
